OBJECTIVE

Results-driven Full-Stack Developer with a strong foundation in both front-end and back-end technologies, including JavaScript frameworks like React and Node.js, as well as Next.js for server-side rendering. Adept at designing scalable, responsive web applications with a focus on clean code, performance optimization, and seamless user experiences. Seeking an opportunity to leverage my technical expertise and creativity to drive impactful solutions in a forward-thinking organization. Eager to contribute to projects that challenge my skills and foster professional growth.

EXPERIENCE

TechnoHacks Edu Tech

Remote

Web Development Intern

August 2024 – September 2024

- Developed and maintained web applications using HTML, CSS, JavaScript, and React.
- Collaborated with the design team to implement responsive web designs.
- Optimized applications for maximum speed and scalability.
- Engaged in continuous learning and skill enhancement by exploring new web technologies and frameworks, applying them to improve existing projects.

PROJECTS

Real-Time Chat Application

- Developed a full-stack real-time chat application using the MERN stack (MongoDB, Express.js, React.js, Node.js) to provide seamless communication capabilities.
- Integrated Socket.io to enable real-time messaging, ensuring instantaneous delivery and reception of messages between users.

QR code Generator

- Developed a dynamic QR Code Generator web application using Next.js, enabling users to create and customize QR codes for various use cases.
- Implemented customizable options for QR codes, such as color, size, and content types (URL, text, contact details).
- Leveraged Next.js features like static site generation (SSG) and server-side rendering (SSR) to ensure fast page load times and SEO-friendly pages.

Portfolio website using Next.Js

- Developed a Dynamic Portfolio Website: Created a fully responsive portfolio website using Next.js, showcasing personal projects, skills, and achievements with a modern, user-friendly design.
- Styled the website using Tailwind CSS for efficient, scalable, and responsive designs, ensuring a consistent and visually appealing UI.

Real-Time Cryptocurrency Price Tracker

- Developed a platform for live updates with minimal latency displaying current prices of multiple cryptocurrencies, detailed views with price charts, and trends over different periods.
- Integrated real-time data fetching to ensure the platform always displays up-to-date cryptocurrency prices.

SKILLS

Programming Languages: C, Java, JavaScript, Typescript

Client-side: HTML, CSS/TailwindCSS, JavaScript, AngularJS, ReactJS, NextJS

Server-side: NodeJS, ExpressJS

Database: MySQL, MongoDB

DevOps: Git/GitHub, Ubuntu/Unix OS, Docker

Tools: VS Code, Postman, MongoDB Compass, MongoDB Atlas, MySQL Workbench

Soft Skills: Leadership, Problem-solving, Communication, Adaptability, Teamwork, Attention to Detail

EDUCATION

Global Academy of Technology

BE in Information Science and Engineering

CGPA: 7.6/10.0

Bangalore, Karnataka

2022 – 2025

KLE Society's CIM Polytechnic

Diploma in Mechanical Engineering

Hubballi-Dharawad, Karnataka

2019 – 2022

Roshani High School

KSEEB

Hanagal, Karnataka

2019

CERTIFICATIONS

100xDevs Cohort 2.0 Full Stack Development + DevOps:

- Mastered HTML, CSS, JavaScript, React.js, and Next.js for creating responsive, dynamic user interfaces.
- Developed proficiency in MySQL and MongoDB for database management.
- Acquired DevOps skills in CI/CD pipelines, Docker containerization, Git version control, and deployment automation.

Global Academy Placement Training:

- Gained practical skills in resume building, interview preparation, and job application processes.
- Developed essential soft skills such as leadership, communication, and teamwork.
- Gained insights into industry practices and trends to enhance career advancement.

Infosys Springboard Artificial Intelligence Foundation:

- Completed training on fundamentals of Artificial Intelligence, including neural networks and machine learning.
- Acquired knowledge in AI architectures and key concepts.
